

GREEN ACADEMY

The school where every student grows

A day school for students aged 10–17 · Founded in 2015 · Open Day: the first Saturday of October

General information

Green Academy is a day school for students from 10 to 17. Nobody has to live here — all our students go home after lessons. Our school is situated on a green hill near a forest lake, twenty minutes from the city centre.

There are 420 students and 38 teachers. Classes are small — only 18 students in each class — so the teacher has time for everybody.

Why “Green”?

Every class takes care of its own part of the school garden. We grow apples, tomatoes and herbs, and we sort all our rubbish. The roof of the gym is covered with grass and solar panels.

Terms and holidays

The school year starts on the 1st of September and finishes at the end of May. There are four terms.

- Autumn holiday – one week
- Winter holiday – two weeks
- Spring holiday – one week
- Summer holiday – three months

At the end of every term we have Green Week. There are no usual lessons: students work in the garden, go on excursions and do projects about nature.

Timetable

Lessons start at 8:30 and finish at 14:20. Students have five or six lessons a day. A lesson lasts 40 minutes and a break lasts 15 minutes. Lunch is at 12:30 in the school canteen.

Subjects: English and one more foreign language, Maths, ICT, Biology, Geography, Ecology, History, Literature, PE, Art, Music and Gardening.

After lessons students go to clubs: robotics, dancing, chess, photography and the Young Ecologists club.

Building and facilities

Our school is a modern three-floor building with big windows and a glass winter garden in the middle.

- 25 light and well-equipped classrooms
- two science labs and an ICT room with 3D printers
- a library with free Wi-Fi and a reading cafe
- a canteen and a small bakery
- a pet's corner with rabbits and parrots
- a gym, a swimming pool and an all-weather pitch
- a school garden, a greenhouse and an outdoor classroom

School rules

Students must ...

- come to lessons on time
- be polite to everybody
- keep the school clean and tidy
- take care of the school garden

Students mustn't ...

- use mobile phones during lessons
- run in the corridors
- bring plastic bottles and bags to school

Students don't have to ...

- wear a uniform
- do homework at weekends
- stay in the classroom during breaks

Teachers must be friendly and help every student. They mustn't shout or give homework for the holidays, and they don't have to give marks at every lesson.

Come and visit us!

You don't have to book a place — just come and see our school.
